ARRAIAL DO CABO

Round trip transport package – inn with breakfast - tours

ARRAIAL DO CABO

Arraial do Cabo, located two hours away (169 km) from the Capital, Rio de Janeiro. Arraial is part of the Costa do Sol region, known for being home to some of the best beaches in Brazil. In this itinerary you will explore the city, enjoy the countless beaches on a Schooner Tour and get to know Pontal de Atalaia Beach, considered one of the most beautiful in the world. Also, venture into the dunes of Arraial de Quadriciclo, or on a buggy ride. Marine life lovers cannot miss the opportunity to do a Baptism of Diving in the Capital of Brasileira do Diving, and be impressed by the underwater diversity of this special place (optional activity).

1st Day - Your trip starts with boarding the transport that will drop you at Arraial do Cabo. Transport will drop you off at your accommodation. After checking in, enjoy your free time to explore the region in your own way.

Day 2: Buggy Tour in Buggy through the dunes and beaches - After breakfast we will pick you up at your accommodation. Embark on this tour along the visit the Mirante da Boa Vista, Prainha, Praia do Pontal, the beaches near the city center. If you prefer, you can replace the buggy ride with an ATV ride.

Day 3 - After breakfast we will pick you up at your accommodation. Schooner Tour in Arraial do Cabo.

On this schooner ride to discover the best beaches in Arraial do Cabo, be impressed by the local beauties.

In this itinerary you will visit Praia do Farol, the famous Prainha do Pontal de Atalaia, Praia do Forno and other places. The tour has an average duration of 03h and 30 minutes. Enjoy the rest of the day at leisure!

Day 4 - The Brazilian Diving Capital

Arraial do Cabo is considered by many the Brazilian Capital of Diving, today you will discover the wonders of the underwater world with a Baptism of Diving.

Turtles, amazing corals, seahorses and lots of fish are just a small sample of the biodiversity you will find in our waters. And you don't need to be a professional diver or know how to swim to enjoy the underwater wonders of the Arraial sea.
